## COMMUNITY GARDENS

### 2007 Garden Application

For office use only:	
Postdate: _____	
ck# _____	amt _____
conf _____	

Your Name	Full Address	Day & Evening Phone Numbers, Email
		D: E: Email:

Names of Other Gardeners	Addresses of Other Gardeners	Phone Number and Email

**Community Garden Perennial plots:** A limited number exist at County Farm, Lakewood and Airport community gardens and can be rented by returning Project Grow gardeners.

Would you be interested in a perennial plot at one of the gardens listed above if one became available? YES  NO

<b>PLOT FEES:</b>	<p><b>Note about Plot Fees:</b> Fees are listed below on a sliding scale. The lower number is the subsidized rate; it does not cover the actual cost of the plot. The higher number is the full cost that Project Grow pays to provide your plot. Please pay the highest amount that you can. To inquire about low-income fees, call the office at (734) 996-3169.</p>
	<p><b>Instructions-Community Gardens:</b></p> <p>1) Circle the plot fee and place a "1" next to it for your first choice of garden site &amp; size.</p> <p>2) Circle the plot fee and place a "2" next to it for your second choice of garden site &amp; size should the first not be available.</p> <p><b>Instructions-Discovery Gardens:</b></p> <p>1) Circle the plot fee for each category as needed.</p>

**MAIL TO:** Please sign the Gardening Agreement on the back and mail this form, Gardener Survey, and a check to:  
**Project Grow, 1831 Traver Rd., Ann Arbor, MI 48105**

# Gardening Agreement

(please read carefully and sign below)

As a Project Grow gardener, I agree to:

1. Abide by the *Project Grow Gardening and Land Use Policies*.
2. Take steps to maintain and improve the soil in my plot.
3. Keep my plot and the pathways adjacent to it well maintained and free of weeds.
4. Notify the Project Grow office immediately if I cannot maintain my plot for any reason during the rental period. Failure to notify may result in forfeiture of the right to garden with Project Grow in the future.
5. Begin gardening in my Community Garden only after plots have been officially staked out in the spring and/or in my Discovery Garden only after plots have been officially assigned in the spring.
6. Clear my community garden plot of all non-organic materials (fencing, large rocks, string, wire, stakes, etc.) and shred or remove all large or woody plant debris, no later than the end of the day on October 20th, 2007. I understand that if my Community Garden plot is left in a condition unsuitable for plowing, or if a perennial plot is left in a condition that does not comply with the perennial policy, or if my Discovery Garden plot is left with either non-organic or organic materials without permission of the site coordinator, I may forfeit the right to garden with Project Grow in the future.
7. Observe the specific guidelines for my garden site (received with the plot rental confirmation).
8. Accept that Project Grow assumes no liability for persons or property in the gardens.

**Failure to garden in accordance with this Gardening Agreement may result in immediate expulsion from the garden or forfeiture of the right to garden with Project Grow in the future.**

Other Gardener & Date

**VOLUNTEER COMMITMENT:** As a Project Grow gardener, you are a member of a community of neighbors. You are expected to make a meaningful contribution of time (**at least two hours per month in the gardening season**) to your garden community. To find out what is needed at your site, please ask your Site Coordinator. Listed below are tasks in which your contribution of time is most helpful to the running of your garden:

**Garden Work Parties for Community Gardens:** Maintenance or other tasks needed at each site. Approximately 1.5 hours each:

Stake Out garden plots (around May 1)

August Work Party

June Work Party

Clean Up garden plots (October 20<sup>th</sup>)

July Work Party

**Garden Work Parties for Discovery Gardens:** Maintenance or other tasks needed at each site. Approximately 1.5 hours each:

Discovery Garden kick-off (around mid-May) End of season clean-up (around mid-October)

As a non profit organization with a very small staff, Project Grow also has an ongoing need in the following areas. Please check any where you may be able to offer volunteer assistance, we will call you:

- Events:** Assist in planning and organizing money-making events for Project Grow.
- Fundraising & Grantwriting:** Assist Project Grow's staff and Board in planning and undertaking strategies to ensure Project Grow's financial stability.
- Food Bank Coordinator:** Organize gleaning of surplus garden produce for contribution to Food Gatherers or other organizations, who will distribute produce to those in need.
- Education:** Work with or be part of Project Grow's education committee, teach a class.
- Newsletter:** Contribute articles, assist with layout, help find sponsors & advertisers.
- Discovery Garden:** Help maintain the educational gardens at the Leslie Science Center and at the County Farm Park. Many possible ways to help, from theme garden care to assisting seniors or children with their gardens.
- Office Skills:** Support Project Grow staff by aiding with data entry, mailings, etc.

**SECTION TWO:** *Your responses to the following questions will help us to identify your needs and interests, as we continue to develop quality educational resources for Project Grow gardeners and the community. Please rate your answers on a scale from 1 to 5, with 5 being the highest level of importance and 1 being the lowest.*

1. How important to you is each of these reasons for gardening with Project Grow?

1 2 3 4 5 Community Involvement

1 2 3 4 5 Not Enough Space at Home

1 2 3 4 5 Save Money

1 2 3 4 5 Poor Growing Conditions at Home

1 2 3 4 5 Other: \_\_\_\_\_

2. How important to you is each of the following benefits of gardening?

1 2 3 4 5 Growing Your Own Food

1 2 3 4 5 Financial Savings

1 2 3 4 5 Exercise

1 2 3 4 5 Recreation

1 2 3 4 5 Self Expression

1 2 3 4 5 Contact With Nature

1 2 3 4 5 Sensory Pleasure

1 2 3 4 5 Peacefulness & Quiet

1 2 3 4 5 Other: \_\_\_\_\_

3. Which of the following would make your gardening experience more enjoyable (check all that apply):

\_\_\_\_\_ Knowing More About Gardening

Other: \_\_\_\_\_

\_\_\_\_\_ Opportunities to Socialize with Other Gardeners

4. Please indicate how interested you would be to learn about each of the following :

1 2 3 4 5 Deciding what to plant in your garden

1 2 3 4 5 Figuring out when to plant different seeds/seedlings

1 2 3 4 5 Improving the soil in your garden

1 2 3 4 5 Planning your garden layout

1 2 3 4 5 Proper harvesting

1 2 3 4 5 Getting an early start (coldframes, light tables, etc.)

1 2 3 4 5 Composting

1 2 3 4 5 Identifying and managing weeds
