Project Grow 2017 Plant Sale Advance Order Instructions

Please read and follow all these instructions. We are not a professional mail order outfit. All our work is done by volunteers and uniformity in handling the orders and the orders themselves is essential.

1. ***Please use the first two pages of this form for your order.***
2. Select the plants you would like. To order a particular variety, enter the number of plants of the variety desired in the third column and the price for the plants in the fourth column (price = number of plants x \$3).
3. When finished, total the number of plants and the prices at the end of each column, and then total the columns as a Grand Total.
4. Mail the order form with a check for the Grand Total payable to "Project Grow". Mail the completed order and check to:
Project Grow
P.O.Box 130293
Ann Arbor, MI 48113
