Project Grow 2018 Plant Sale Advance Order Instructions

Please read and follow all these instructions. We are not a professional mail order outfit. All our work is done by volunteers and uniformity in handling the orders and the orders themselves is essential.

1. ***Please use the first two pages of this form for your order.***
2. Select the plants you would like. To order a particular variety, enter the number of plants of the variety desired in the third column and the price for the plants in the fourth column (price = number of plants x \$3).
3. When finished, total the number of plants and the prices at the end of each column, and then total the columns as a Grand Total.
4. Mail the order form with a check for the Grand Total payable to "Project Grow". Mail the completed order and check to:
Project Grow
P.O.Box 130293
Ann Arbor, MI 48113
5. We must receive your order by Saturday May 5th.
6. Pick up your order on Friday May 11th between 4pm and 8pm or Saturday May 12th between 10am and 1 pm at Dawn Farm, 6633 Stony Creek Road in Ypsilanti, 48197. These are the only days orders may be picked up. If you can't make it, you can send a friend to get them for you.
