## Washtenaw County Master Composter Volunteer Log, Experience Summary

Check here if there are changes in your personal information.

| Name   |                                       |                               |               |
|--|---------------------------------------|-------------------------------|---------------|
| Address  |                                       |                               |               |
| Phone: Home_                                     | Work                                  | Cell                          |               |
| Email  |                                       |                               |               |
| If other than Washtenaw County class:            |                                       | Class year                    |               |
| 10 VOLUNTEER HOURS REQUIRED FOR MASTER COMPOSTER |                                       |                               |               |
| Date<br>Performed                                | Group/Organization<br>Volunteered For | Description of Volunteer Work | # of<br>Hours |
|  |                                       |                               |               |
|  |                                       |                               |               |
|  |                                       |                               |               |
|  |                                       |                               |               |
|  |                                       |                               |               |
|  |                                       |                               |               |
|  |                                       | Total hours                   |               |

## PRACTICAL EXPERIENCE

Please briefly describe your experience this year with making/using compost for self, friend/neighbor, nonprofit, etc.
